**Top 10 Ways to Be A Great Advisor**

Create a welcoming positive atmosphere.

The teacher will set the mood for the advisory group. (If you love advisory, so will they)

Review advisory materials prior to the lesson.

Remember we are a character education school for a reason-make advisory a priority!!!!

Use your own teaching style when incorporating the lessons.

Allow students to share their opinions while respecting others

Have students set personal goals for the year and periodically review them.

Check your email and your mailbox for advisory updates up to the morning of advisory.

Refer to the developmental assest frequently.

Remember our theme this year-"Be the Change."
