## How to make sure loved ones know the medical care you'd want

If you have a sudden accident or illness that leaves you unable to communicate, who would make medical decisions for you? Would they know what you want? Speak(easy) Howard is making it easier to talk to loved ones about your preferences. Get started by answering these questions and talking them over with those you love.

Question 2

Question 1

	As a patient, what do you want to know about your care?		at are your concerns out care?		If I had a terminal illness, I would prefer to
